**Our Locator 2000 series is ideal for the following industries:
HVAC, Plumbing, Electric, Construction, Service business, Trucking, Distribution, Manufacturing,**

All of our L2000 series locators are unlimited use for a flat monthly fee so you will never incur overage charges:

L2000 (Pro) Our #1 selling, full featured system for businesses of all sizes who want to save money by having complete visibility to their entire fleet and improve employee time management. An internal backup battery is optional in case of tampering or theft, and extra telemetry sensors for monitoring usage of in-vehicle powered items such as PTO's, sprayers, hydraulics, and other secondary power sources and equipment. Standard 2 year warranty included.

L2000 Nav+ – Includes all features of the “Pro”, plus ability to connect to in-vehicle laptop for in-vehicle navigation and mobile Internet connectivity. Standard 2 year warranty included.

L2000 (lite) – Our “value” package that includes basic location services and reporting. Standard 1 year warranty included.
